

BALMORAL CASTLE

5th August, 2008

Dear Mr Servage,

I write to thank you for the letter you wrote to The Queen together with the photograph of your recent painting.

Although unable to reply to you personally, because of the great many letters she receives every day, Her Majesty was interested to hear that about your style and technique and how you adapt this to your painting.

The Queen thought it was very kind of you to write as you did and I am to thank you for your thoughtful letter and good wishes.

Yours sincerely
Mary Louise
